DIGEST OF DEPARTMENTAL LETTERS

SCHOOLS - CORPORATIONS - LEAVE - DEATH IN FAMILY

Official Opinion No. 16 of 1974 concludes that reference to the five days of absence without loss of pay for death in the immediate family of a teacher is calendar days. The period begins on the day after the family member's death and ends on the fifth calendar day after said death. Although the law to which you make reference was passed after this opinion was written, Public Law 233 only restated the prior law and thus would not change the above mentioned opinion.

FEDERAL FUNDS - BIDS FOR PROJECT MATERIALS

It is our understanding federal grants received are to be used for residential rehabilitation. Labor costs of town employees to be utilized will be paid from funds provided pursuant to Title X of the Public Works and Economic Development Act of 1965, as amended, administered by the Economic Development Administration, an agency of the United States Department of Commerce. Materials, supplies and tools will be purchased from funds provided by the Community Development Block Grant Program under Title I of the Housing and Community Development Act of 1974 as administered by the United States Department of Housing and Urban Development. You stated expenditures for materials for each house would be less than \$5,000.

The Public Purchases Law, IC 5-17-1, requires giving notice and receiving bids in all cases of purchase of materials and supplies except utility bills where the amount of the purchase exceeds the sum of \$5,000 and is to be made from any appropriation of public funds. Attorney General's Opinion No. 48, 1956, states this law applies to purchases payment of which is to be made under the provisions of the budget laws. As you are aware, the State Board of Tax Commissioners have held, and we concur, where funds are advanced by the federal government for a specific purpose prior to making any disbursements, the money is placed in a separate fund and disbursements are made therefrom, no appropriation of the federal funds is required. Since no appropriation is required for your grants, it appears the Public Purchases Law would not be applicable.

It should be noted in the interest of following good business practices, the State Board of Accounts recommends bids be requested for any substantial purchase regardless of the source of the funds of which payments are to be made. If you follow this suggestion, your attention is directed to Attorney General's Opinion No. 59, 1965, which states the term "unit basis" may be construed to mean the annual requirements of any governmental unit based upon a fiscal year. In any event at a minimum, the board of town trustees should obtain written quotations for unit prices of the various classes of materials and supplies to be purchased for your rehabilitation project.

HOSPITALS - SALARIES OF BOARD MEMBERS

The chairman of the board of hospital trustees can be paid more than other members of the board provided his compensation does not exceed the statutory maximum of \$600.00 (\$2,500.00 after the 1976 acts are promulgated).

Mr. Charles Westerman
City Clerk for Common Council
of the City of Fort Wayne, Indiana
City-County Building
1 Main Street
Fort Wayne, IN 46802

Dear Mr. Westerman:

In response to your letter requesting my appearance on December 28, 1976 to advise Council concerning 1976 Community Development Block Grant Accounts, I respectfully request a postponement in that briefing until January 4, 1977. This will allow me and my staff the necessary time to provide detailed responses to all of the questions which were raised in the Committee session of December 21st. With the holiday upon us, several key staff members have taken time off, making it difficult to provide members of the City Council with the information they have requested by December 28th.

I hope that this postponement will not cause the members of Council any inconvenience, or cause any further delay in the approval of Community Development funds for those specific purposes spelled out in the original application.

Sincerely,

C. James Owen, Director

BILL NO. A-76-11-15

AN ORDINANCE appropriating certain
monies from the Community Development
Block Grant to various accounts

Pursuant to the request of the Common Council, the presence of
Dr. C. James Owen - Director of Community Development and Planning,
is respectfully requested on December 21, 1976, at 7:30 o'clock P.M.,
Room 128, Common Council Conference Room.

Council would like to continue their discussion regarding the
above ordinance.

They are particularly interested in the breakdown of the requested
appropriated monies for the Community Development Block Grant.

Your cooperation will be greatly appreciated.

November 26, 1976

TO THE MEMBERS OF THE REDEVELOPMENT COMMISSION:

I am returning to the Personnel Department, unsigned, the Pay Change form initiated last week by the Redevelopment Commission for its Director, Robert P. Turk. This form indicates a pay increase, effective September 19, 1976, from \$22,500/Annual to \$24,500/Annual. This new rate is \$2,000 in excess of the salary approved for that position by City Council in the Salary Ordinance for 1977.

Even though I fully realize that by law you have the right and responsibility to set salaries of the personnel in the Redevelopment Department, it should be pointed out that an increase to \$24,500 is completely disruptive to the Civil City administrative salary schedule, to the extent that it exceeds all other salaries but two. I am sure you know I feel very strongly that good salaries must be paid to the administrative staff in order to attract and keep qualified personnel in these positions -- but there must be a relationship between responsibility and amount paid throughout the administration in order to maintain a good working relationship among staff members.

I feel it would be mutually beneficial to get together and discuss items of this nature before final decisions are made in the future.

Sincerely,

Robert E. Armstrong
Mayor
